12TH AVE. CAFE

in the Issaquah Commons

Dinner Menu

Beginning at 4:00pm

Welcome to our diner... established in 1991 on 12th Avenue and moved to this location in 1995. Despite the change in address, we kept the original name. From the beginning, we have worked to be your friendly, reliable and consistent neighborhood diner.

My staff takes pride in serving cooked to order meals consistently quick. We strive to use the freshest ingredients. We want our meals to taste great, our portions to be satisfying, and our prices to be fair.

Every year since 1991, we have been voted "Best Breakfast in Issaquah". Then in 2010, KVI voted us "Best Breakfast in Seattle". We are proud of these community awards and appreciate your support. People have discovered that our lunches and dinners are equally satisfying. Maybe you will too.

About our airplanes... most of the photos were taken by my father at a 1970's Reading, PA air show. Dad was a professional photographer and I was his dutiful assistant for most of my youth. Just as a note, my Dad was unsatisfied with the 24" x 36" photographs because of the lack of detail in the shadows. He did not want them displayed for fear of criticism, and only reluctantly let me have them. He hopes that you enjoy them despite their imperfections. Thanks, Dad!

Over time, some customers have offered their personal photographs and models, so we display a few of them. If you want to know more about these planes, we have a notebook available upon request.

Thank you,
Gary M. Woodring
